#### INSIDE A BARELY LEGAL GIRL

Hev! It's me, Lindsey. You guys, there's something I haven't done in a long time: answered your questions about me. (Gulp!) This time around, they all come from reader J.F. from Michigan,

"What's your bra and cup size?" I'm a 34B. Also, I'm 5-8, 114 pounds, with a 22-inch waist and 34-inch

hips. And my coochie is two fingers wide. ;) "Do you spit or swallow?" I swallow. But if you miss my mouth, no worries-I love it all over my

face. It's good for your skin! Last, a comment: "Hopefully you will pose featuring a picture of

your pussy. It would look best if you didn't pull it apart to show your vaginal opening."

J.F., did you see my classic layout in the February issue? I thought my pussy looked nice pulled open-but what did you think?

In fact-what do all of you guys think? Do BL girls spread too much? Do we spread too little? Or do we spread just right?

Can't wait to hear from you!

#### Dear BARELY LEGAL.

How are you, Lindsey? Just wanted to reply to beautiful Liza Rowe's question in the December 2015 issue about having her sweet pussy waxed:

"YES, YES. It would only enhance your beautiful pussy. And please come back for another photo session!"

Warmly. Lenny by Internet

I would love to give you a hand in taking your panties off. I love that you like to play with your pussy every day. I would hope you do this with your panties on. This would be like your period panties. Just to think what your panties would smell like after you have worn them for a month...

It would be neat seeing you in a video flinging your panties against the wall and having them stick. I would love to know what your girl goo smells like. Is it sweet or sour? It would also be neat if you farted or had a turtle head and put a little skidmark in your panties.

Hopefully you seal them in a zip-lock bag to keep

Well, Lenny, it took a while, but-Liza has waxed her pussy! You can see her hald cooch in all its glory next month, in our April issuel (P.S. It's adorable) -I indsev

#### Dear Lindsev.

While all of the November 2016 girls are gorgeous in their own way. I must say that the two "bookends" are the prettiest in my book.

I did not realize that my October 2016 letter regarding Kenna James's beautiful smile would be perfectly highlighted in every sinale one of her pictures.

Meanwhile, since Payton in her 40s had such a positive impact in the August 2016 issue, please consider trying to bring back 30-yearold Parker (BARELY LEGAL Classic) soon. Parker might be a married mom of five kids now, but that just goes to show that she loves to fuck. If she won't come back to pose. can we at least find out if she still has that gorgeous bush and does she mind that we are all jerking off to her all of these years later?

Wilson South Carolina

-Lindsey

Wilson, Parker is a teacher these days, so posing nude would be a little too bold. :) But she's happy to answer your questions: "Yes, I still have my bush-auess I'm old-fashioned!and no, I don't mind that you are jerking off to me years later. It was a special time, and you've made it special again. Thank

voul xxx Parker\* Lindsev

First off, I love you, Lindsey and BL. In the April 2013 issue you had a pictorial of Amia Miley with photos from 2009, before her 2010 implants. Believe me, Amia looks great now and before the boob job.

Lindsey, you said it was BL's policy not to show girls with implants in BL. Then I saw Amia in the November 2016 issue with Aiden Ashley. Did you change the policy?

Love you, Lindsey, A Great Fan of You and BL in Illinois

No. Great Fan-I messed up! I'm so alad you still love me. 'cause I really need it right now. :( Thank you! -Lindsev

#### Dear Lindsey,

Just when I thought it was safe to read BARELY LEGAL again, Amia's fake boobs are slipped in! Lindsey, you said fake boobs would not be in BARELY LEGAL. What happened?!

Fake boobs, a 20-year-old Teen Queen, a forty-something MILF, all in BARELY LEGAL. Sad to say but BARELY LEGAL has gone down quite a bit since three or four vears ago!

Any hope of saving it before it sinks completely?

Greatly disappointed. RSC Arizona

R.S.C., thank you for your feedback I'm so sad to hear that you're disappointed! Not to make excuses, but if you will allow me. I'd like to explain my decisions.

I made 20-vear-old Kenna James our November 2015 Teen Queen because she is one of the cutest girls of all time! To me, she had to be Queen. She ended up getting tons of letters from readers requesting that she returnwhich she did in the November 2016 issue

I put a cougar (Payton Leigh) with a kitten (Fave Reagan) in our August 2016 issue at the request of many readers. The pictorial got lots of positive comments-but your comment will stick with me. Even though I know I can't make 100 percent of the readers happy

100 percent of the time, I will never stop wishing I could! Finally-Amia's fake boobs. I wanted so badly to run a hot airl/airl set. I broke my own rule. :( I'm truly sorry, It won't happen again!

But apart from Implant-gate, I stand by my choices, I actually think BARELY LEGAL has gotten better over the past three or four years. I think the girls are getting cuter and

But what does everyone else out there think of BL these days? That's what really matters. Tell me, please!

ello, menl It's Stacy the intern.
Porn newbie Naomi has already
been in our daddy magazine, *Hustler*(January 2017). Little overachiever!

#### Hey, Naomil How would you describe vourself?

I would describe myself as a very caring and loving person. I am also known to be a free spirit.

What do you do for fun?

I like to go out to clubs with my friends and drink. I also really love the beach and relaxing.

#### What do you like best about posing nude?

I love posing nude because of how free I feel. It's like, this is me, and I love myself, and I'm not afraid to show who I really am.

#### What do you like best about doing porn?

Porn is amazing to me because I love sex and I am blessed with an amazing job where I get paid to have fun and feel good.

#### What do you think is your best physical feature?

I'm not really sure what my best is, but I really love my eyes. I don't know a lot of people with green eyes, and it's also my favorite color.

he cutest, coolest guy in the world works at the coffee place near my high school. His name is Noah. He's 26, and he has black hair and blue eyes that go right through you when you order your skinny latte. And he's got this smile. I'm a senior, but when he smilles at me, I swear I turn into a freshman again. I mean. I can't even speak.

Of course every girl customer is crazy about him, and he totally takes advantage. I don't think any girl has lasted more than a week with him. I was dying for a chance. I was sure it would be different with me.

But then Noah actually asked me out, and I panicked. This is extremely embarrassing to admit, but—I was still a virgin. I had no idea how to have sex, not even oral. If Noah was dumping hot slutty girls left and right, he for sure would dump an inexperienced one!

a little hit

There was a blond porn star named Elsa Dream and a darker-haired one named Vera Drake. Elsa was rubbing Vera's pussy. I never actually saw a pussy being rubbed before. I mean, yes, I have touched mine. But I never look at it.

Vera's looked so pretty. Her lips seemed to swell under Elsa's fingers. But I guess Elsa wasn't doing a good job, because Vera started playing with her pussy herself. She made Elsa hold her lips open while she rubbed.

"Ha hal" I said, turning to Aggie. "Vera is so bossy..."

bossy herself. Her lips felt sticky but soft.

I froze. Aggie had her pants down and was rubbing her cooch.
"Hold my pussy open!" she ordered.
I did what Aggie said because actually she can be kind of

Luckliy, I'm smart as well as cute, Kidding! (I do get good grades, though.) I came up with the perfect plan. My friend Aggles dad has this stash of dirty DVDs that he hides in their grage, I asked her if I could borrow some so I could study the moves of the porno ladies. Aggle said no way, but I could come over and watch them with her. (So paranoid!)

The day of my date with Noah, I went over to Aggle's. Her mom and dad were out, but we went to her bedroom to watch in private, just in case. Aggle popped a DVD called Our Family's Little Secret into her computer and clicked on one of the scenes in the menu.

"Hey!" I protested. "This is with two girls. This isn't going to help me."

"I know, but aren't they hot?" she said.

They were really hot. I guessed it couldn't hurt to watch for

"Wider!" she demanded. "Like she's doing."

I turned to the screen.

"They're doing something else now."

Elsa and Vera's bodies were lined up in opposite directions with their mouths on each other's coochies.

"They're 69ing!" said Aggie. "Let's do that."

She pushed me flat on the bed and climbed on, shoving her

pussy in my face.

I had never eaten pussy before or got mine eaten, and suddenly I was supposed to do both at the same time! Aggie dove

right in, swirling her tongue around my clit as if she had done it a million times before. I wasn't sure how to begin. I just kept my hands planted on

I wasn't sure how to begin. I just kept my hands planted on Aggie's butt cheeks and stared at her hole while she licked me. It felt incredible. Suddenly she stopped, and I almost cried.

"You're supposed to be eating me out too!" she complained. "So ealfieh!"

"I'm not selfish!"

I peeked at the computer screen. Vera was spreading Elsa's pussy open wide—then she plunged her tongue into the hole. I copied her "Feeeeel"

Aggie squealed like a pig, so I knew I was doing something right. I slid my tongue in and out. Aggie's pussy tasted salty and sweet. I hoped mine tasted that good!

I licked and sucked as I bumped my pussy against Aggie's mouth. Just as we got into the perfect rhythm, Aggie stopped.

"I'm really close!" she gasped. "Let's come together." She pulled me up and we sat side by side, like the girls on the DVD

"You rub me and I'll rub you." Aggie's fingers were a blur on my cooch. I matched her. zeroing in on her clit, my fingers flying

"Unh unh unh!"

"Unh unh unh!"

We totally climaxed in stereo. It would have been funny, except it felt so amazing! How did Aggie know it Mould

"Aggie, you've watched this DVD before!"

"Hee hee."

"Have you watched the scenes with guys, too?" "Not interested. You watch.

I'm going to take a nap." While Aggie snoozed in a puddle of her own goo. I watched a scene with a porno guy and a girl called Cadence Lux. It was super sexy. (Sexier than two girls together-sorry, Aq!) I touched myself a little, but I was all orgasmed out. Anyway, I wanted to save my-

And now I was definitely ready for him. Cadence's scene gave me some great ideas. Noah would never suspect

I was Miss Polly Pure. I had the house to myself that night. I texted Noah to come over for a night swim instead of us going out somewhere. My heart pounded when I heard the doorbell ring, I opened

the door, and he stepped in. Noah was in my house! "Hev." he said.

self for Noah

"Hey, You can change in the bathroom over there."

"Cool."

I gave him a few minutes, then I busted through the door. "What the hell?" Noah grabbed a towel and wrapped it around his waist.

I dropped to my knees just like Cadence and yanked his towel down.

"I love cock," I announced.

I grabbed his penis and shoved it in my mouth, I sucked it like I was starving, making all these slurgy, lip-smacking sounds like I heard on the DVD. But I wasn't pretending. His cock felt good between my lips.

"What are you doing?" Noah pulled his dick out of my mouth. It wasn't totally soft, but it didn't look big and hard like the norno auv's

"Don't you like blowjobs?" I asked.

"Yeah, I do. but..."

"But you want to get right to the fucking?"

Before he could answer. I grabbed his cock and led him out of the bathroom and to the living room couch. I got on all fours and lifted up my skirt so he could see I had no panties on.

"I want your cock sooo bad." I drawled reaching back and

spreading my pussy lips. Noah just stood there, like he was in shock, But I saw his dick growing bigger, Yes!

"My pussy is sooo wet for you." It really was! I licked my fingers and made a vummy sound.

That did it. Noah's cock shot straight up. He spit in his hand. grabbed his dick, and shoved it into my pussy.

Oh. Mv. God. The feeling was too huge! This thing took over my body, stretching my tight virgin pussy, filling every inch of my insides. All of my DVD studying left my brain.

This was real "Fuck me!" I begged.

Noah grabbed a fistful of my hair and dug his other hand into my ass cheek as he pounded.

"Harder!" I wailed, shoving my tingling pussy back onto his dick. "Harrrder!"

Noah slammed his cock into me full force, almost knocking me off my arms. "You're a little slut, aren't you?" he snorted. "You're a lit-

tle whore." Ooh. Noah was using porno

"Yes!" I screeched, slamming my pussy against him. "I'm a little whore!" Noah gave one last crushing thrust, then pulled his dick out.

I flipped onto my back and begged him to come on my face. He let loose. Hot cum hit me on my nose and cheeks and trickled down As I licked the iizz off my lips. Noah just sat there, staring at me.

"Wow," he murmured. "You completely surprised me."

My porno lessons had paid off! "I thought you were a sweet, innocent girl," he said. "But you're just like all those other 'hos." He got up and grabbed his

clothes from the bathroom. "Well, see ya." Then he left. I still see Noah-every week at the coffee place. He never

smiles at me. \*

Best sex skill: I am a blowjob expert.

Spit or swallow: Swallow.

Favorite ways to fuck: I like to bounce on dick, I love being bear-hugged, and I love being bent over-although I can't always take a really big dick that way, I'm tight! Favorite place for a guy to come: On my face, in my mouth, or

on my jiggly ass. Quickest way to make me come: Treat me like a baby.

Anal, yay or nay: Yay-someday. For now I'm satisfied with a

plug up my butt. Baby steps! To bi or not to bi: Bi. I love licking girls' pussies and buttholes.

They taste like candy. :)

Wildest thing I've ever done: Had sex outside on a balcony. Ideal guy: A guy who can get inside my head. Dream date: A trip to Paris or a trip to 7-Eleven-it doesn't mat-

ter. If you're with the right person, it's the perfect date. Favorite fantasy: I want to get a sex swing and find someone to play on it with me.

Future goal: To keep making movies for my amazing, sexy fans! \*

ey, it's Lindsey. Former Teen Queen of the Month Sophia (May 2016) is looking so grown-up and glamorous these days!

Sophia, you're too sexy for BARELY LEGAL! I hope not! I'm only 19.

I'm teasing. I love your womanly body.

I do, too! I think girls should always embrace their curves.

Sometimes we think curves = fat.

That makes me sad! Everyone should just look at a picture of Marilyn Monroe. She was the sexiest woman ever, and she was definitely not a size 0.

What do you think is your best physical feature?

Well, not to sound conceited, but a fan told me I have a size "perfect" ass.

That sounds accurate to me. How is your porn career going?

Amazing! I had so much fun on set the other day. Good people and good vibes.

What's the best thing about doing porn?
There are lots of things. Getting to travel is awesome. The last time I flew home from here I got upgraded to first class!

## **LEXI BELLE & ASHLII ORION**

### busy beavers

ey there! It's Stacy the intern. I can't keep up with Lexi and Ashlii—can you?

You were both in a Hustler movie called Scary Big Dicks #3, but here you are lezzing out. So which do you like, peen or poon? Ashlii: Yes.

Lexi: We like everything. We don't want to automatically eliminate half the population when it comes to sex.

Speaking of having tons of sex-Lexi, you've shot over 600 scenes.

Lexi: I like to keep busy.

Do you think you'll ever slow down?

Lexi: I'll stop when I get bored—but I can't see that happening.

Ashlii, on the other hand, has shot only 370 scenes.

Ashlii: "Only." LOL!

Lexi: She's so lazy. :)

Do you think you'll ever catch up to Lexi?

Ashlii: Well, I've retired from making movies, so no. But I could never catch up to her anyway. Lexi is a fuck machine.

Is she a fuck machine with you? Ashlii: She's crazy-good with her tongue. I think it takes bat-

Lexi: I like Ashlii's tongue 'cause it will go anywhere, including

my butthole.
You've done anal, haven't you Lexi?

Lexi: Yes, I like it as a change. See? Doing porn is never boring.

There are so many holes to choose from!

Ashlii: I *love* anal. It's my favorite way to fuck.

Is that why your finger has been in your butthole for the past ten minutes?

Lexi: Ash, why didn't you tell me? I could have banged you in

Lexi: Ash, why didn't you tell me? I could have banged you in the ass with my toy.

Ashlii: There's plenty of time for that later—I retired from porn, not sex! \*

## **TESSA**

## one to watch

owdyl It's Abby the intern. Meet sweet, shy high school senior Tessa.

Hey, Tessal Did you like posing nude?
Yes, I'm a total exhibitionist.

Do you ever get naked in public?

I love masturbating naked in my backyard. The sun makes me horny:

There is, but it has a bunch of cracks. I see you peeking, Mr. B-I

Have you ever had sex in public?

Yes, on an airplane, on a dock on a lake, on the beach, in an elevator...

What's the crazlest place you've ever had sex?

In a park, hiding in the jungle gym.
What's the wildest thing you've ever done?

Fucked three guys in a row one night at a party. All friends.

Did anyone catch you doing it?

Everyone watched us doing it. They all had their phones out, taking video.

Omlgod, how embarrassing!

Not really. I looked hot. I watched the video like 50 times the next day.

Does anything embarrass you?

Well, sometimes my but t makes funny noises during anal and it makes me laugh, but I wouldn't say it embarrasses me.

Seriously? I would not be able to face the guy.

Seriously? I would not be able to face the guy.
I wasn't facing him—he was behind me, fucking my ass. LOL!
No, really. One time I queefed, and I never called the guy

back after that.

Abby! Naked, sweaty bodies, weird sounds coming out of our orifices—all of that stuff is natural.

I guess...
And anyway, if it feels good, nothing else matters. Now go

call that guy!
I will! But what do I say?

Tell him you'd love to see him again—and that you're bringing a friend.;) ★

can't figure out what's going on with me," sighs Annette. "Ever since I turned I8, I've been insanely hungry and, like, totally horny. My best friend 'yeste says it's my hormones. Whatever it is it's diving me crazy.

"If i'm not anexing, i'm masturbating, I have all this weird energy, but I can't accomplish anything. Studying? What's that? And Mom always wagging her finger, nagging at me to find a job? Um, yeah, okay. How can I be goal-oriented when I'm tortured by constant crayings?

"Yvette assures me that she went through the same thing, and she promises I'll mellow out. She did—now she's 19 and living a productive life and working as a receptionist at a bid law firm and everything.

"Oh well. I'll cool down eventually. For now, Yvette's helping me out, spending time with me, just to talk, you know, but also kind of relieving me, like, physically.

"It's not like we're lezzies. We both like guys, totally, and fm sure I could find a boyfriend, but I've been down on myself lately, teeling fat from eating too much (even though I'vette says I have the perfect body), and struggling with my self-esteem. It helps so much to talk with Yvette because she understands completely. She's just, like, such a strong person and I love her, but not all dykey—I don't know. It's comclicated

"I don't think, I mean, it wasn't a grand scheme or a devious master plan that me and Yvette were going to do anything. Things just happen sometimes, like you think you're just hugging, but your boobles mash together through your blouses and you're all tingly and horny, and the next thing you know, your tongue is in you best friend's cochie.

"When it happened for the first time, we were just hanging around Viettle's apartment. She has her own place since she's so successful and independent. I asked if she had some Crunch 'n Munch because that's what I was craving, and I was wondering if she had any porn but that was too embarrassing. So I had to settle for Chex mix and a makeover show on The Learning Channel, but it was okey because I enlow Yvettle's company.

"So I was telling her about all kinds of things, and I told her I masturbated compulsively, and she's like, I do it too. A lot, actually. For whatever reason, that turned me on, and then we were really close together and we started touching.

It's like I didn't even know what I was doing, I was so dizzy, and It felt like all these little fuses were blowing all over my body! I wanted to touch her everywhere. I wasn't nervous or shy! I unhooked her bra. Her boobs were the most beautiful things I dever seen. Her sikin was silky. Her nipples were hard and warm, like trip pebbles warmed in the sun. I peeled every thread of clothing from the body. She was so the sun. Peeled were the sold things the seen sold out on the carpet just gleaning, like you wanted to take a picture because it was a vision out of a really good dream, or a movie.

"My cravings were raging; I had to have her in every way; I sucked her inples. They were sweet and delicate, like flowers. I ran my tongue down her belly; I pushed her legs apart and pressed my mouth against her pussy. She was smooth and were, and tested like salt and honey; I just wanted to suck and lick and slurp all day, Maybe it sounds gross, but it's like! I was feeding, not only my body, but my soul too. It's like the hunger and yearning and all that stuff was being sastified, at least for that moment. I sucked her clitty and rolled my tongue across her labes and kneaded her buns like I was making cookies.

"Yette came. She moaned and pulled my hair, and when she was done, my face was glazed. She stroked my sticky face and kissed me. She stuck her tongue in my mouth and swallowed her own sweet juices.

"Yvette is my friend. Nothing's changed. I'm just going through a phase. But I want more. I'm still hungry." \*
